

QUESTIONS?

DID YOU KNOW?

Q: May I trade in my present vehicle?

A: Yes. Your vehicle will be appraised and you will be given actual cash value against the price of your new vehicle.

Q: Are used vehicles available through this program?

A: Yes. We have access to thousands of discounted used vehicles.

Q: Are there any hidden charges?

A: No. You pay the purchase price, plus sales tax, license, registration, and documentation fees.

Q: If I'm getting a special discounted price, does that lessen the amount of service and attention I receive?

A: No. You will receive the highest level of personal service available.

PURPOSE

- To provide your company employees and their families opportunity to buy new or used vehicles at a fleet discounted price.

ADVANTAGES

- By working with fleet sales representatives, volume discounts and dealer incentives are passed along to employees and family members.

- In stock purchases will be available as well as factory ordered purchases, except, where strict allocations or special productions apply.
- This employee accommodation program saves you time and money. Determine the vehicle you are interested in and we'll do the rest!

HOW IT WORKS

- When you are interested in a specific vehicle, or vehicles, call Lupient Enterprises to ask questions and/or set up a appointment. A qualified representative will be able to assist you with information concerning the vehicles offered under this program.

PRICING

All manufacturer's rebates will be passed on to the buyer. If a particular model is in short supply, factory ordering may be required to receive your price. When a specific vehicle is a "special production" model, where dealers only receive a limited number for the year, your price may be higher.

- Import automobiles will be sold on a "per quote" basis. The savings will vary based on the particular vehicle and market conditions.
- Prices will be quoted in person via telephone or email.
- We have access to most manufacturer's vehicles.
