

Unique savings to help you make all the right moves

Moving has proven to be one of the most stressful, time-consuming and expensive life events. Even in the best of times, moving your family from one home to another can be overwhelming. The search for reliable and price-competitive moving companies and quality service can be a difficult one. With the MyHomeBenefits program, offered exclusively to residents of Village Green, you not only gain access to professional moving services, but also to preferred savings on move-related services for your family members and friends.

Residents of Village Green Receive:

- * 66% off of interstate tariff rates
- * Full service and self-move options
- * Preferred access to a national moving company
- * Move destination-area tools, guides and resources
- * Single point of contact

MyHomeBenefits is a convenient resource that can simplify your move with easy toll-free or Web-based access to the moving services you need. Work with University Moving & Storage, a trusted agent for northAmerican Van Lines - for less than you imagined!
