The Suburban Collection would like to extend a preferential vehicle purchase plan to all **Village Green residents**. This letter entitles you to purchase or lease your next vehicle from any of the **Suburban Collection** dealerships at a \$100.00 over dealer invoice.

In the event that you are entitled to a specific manufacturer's employee or supplier purchase plan, we would use that formula price which would be a better alternative. High demand or limited availability vehicles are excluded from this program.

To arrange for the purchase or lease of a vehicle under this program, please contact Michelle Aleck at:

Michelle Aleck
248.731.3361 Direct
maleck@SuburbanCollection.com

When you contact Michelle Aleck please indicate your desire to purchase or lease a vehicle under the **Village Green** purchase plan. Arrangements will then be made to meet at the dealership, select the appropriate vehicle and complete the transaction.

Thank you for the opportunity.

Cordially,

David Fischer
